| COLOUR VERSIONS | LENGTH         |
| Silver          | 2000 mm        |

### TECHNICAL DRAWING WITH DIMENSIONS

### TECHNICAL INSTRUCTIONS

### PRODUCT OVERVIEW

This bendable plaster-in LED profile features an 11.2 mm internal channel and includes a silicone diffuser to provide smooth, even light with reduced LED spotting. Designed to be recessed and plastered flush into walls or ceilings, it can bend both top and side to suit curved or straight lighting runs.

The profile allows top bending with a minimum diameter of 300 mm and side bending with a minimum diameter of 700 mm, making it ideal for clean, trimless architectural lighting in modern interiors.
